

LEADERSHIP GOLD

Secrets of Successful Leadership

Introduction

Leadership Gold is a unique leadership development program that brims with nuggets of wisdom accumulated by John C. Maxwell during his illustrious years of studying, practising, and teaching leadership.

Who Should Attend

Company directors and other key decision makers that will influence organizational change. Current and aspiring business owners, coaches and leaders.

What You Will Learn

This program is packed with arguably the “best of the best” leadership insights as participants that include leaders, senior managers, corporate executives and entrepreneurs walk away with a clear understanding and belief in the value of leadership and the learn the benefits of the principles of influence.

What We Offer

- Workshops (Full day / 2 Days)
- Seminars (Half / Full day)
- Lunch & Learn (1 hour)

Course Outline

1. Defining Leadership – build credibility or destroy ability to lead

- Feeling lonely at the top?
Understand what you're not doing right
- Learn how to lead the toughest person – yourself
- Criticisms and how to manage them constructively

2. Following passion and developing potential

- Master the skill to keep your passion burning while others are quitting the race
- Dignify your followers by listening intently to their inputs and concerns
- Grow your maximum potential in your strength zone

3. Judging the leader by looking at the people

- Assess the leaders' effectiveness by looking at the health and morale of the people
- Recognize high potential followers and limit energy with low capacity ones
- Prioritize time on the activities that yield the greatest return
- Embrace mistakes to avoid repeating them

4. Learning to keep leading

- Don't manage your time; rather manage your life
- Doing intentional work to keep growing
- Distinguishing the best leaders through tough times
- Understand why people quit people, not companies
- Experience is not the best teacher. Reflect to gain insight
- Run productive meetings by having the meeting before the meeting

5. Connect to Lead

- How to climb the ladder without getting disconnected
- Make right decisions and manage decisions daily
- Influence should be loaned but never given
- Law of sacrifice: for everything you gain, you give something up
- Maintain the right perspectives and relationships as people come and go
- Getting answers to the questions you ask
- People will summarize your life in one sentence – pick it now !

About the Speaker

Anisa Hassan is an award-winning entrepreneur and an internationally certified trainer, speaker and coach of the John Maxwell Group – a world renowned expert in leadership. Anisa specializes in topics relating to business and professional management. Her vast knowledge and experience in managing interpersonal relations make her presentations lively, impactful and insightful.

Encouraging active participation, Anisa's seminars and workshops have been highly rated because they inspire action and provide concrete "how to" steps that — when used as directed — dramatically boost results.

Currently, she engages management and leadership audiences through her public and corporate workshops all across ASEAN.

Company Profile

Anisa Hassan International (AHI) is a training provider that focuses on business and leadership training. Each year, AHI hosts public workshops across ASEAN teaching individuals and organizations how to live out leadership at all levels in any organization.

Every AHI public training & corporate workshop :

- Features hands-on learning and activities
- Includes an in-depth workbook
- Guides attendees in creating a plan to live out what they learn
- Is relevant to leaders at every level

AHI is a subsidiary of Stellar Consulting Group, a group of companies whose various divisions connect businesses and investors to markets regionally and internationally.
